### **American Australian Association – Australia to USA Fellowships**

**Internal closing date:** 29 February 2008

**External closing date:** 15 March 2008

In order to promote educational exchange between the United States and Australia, and strengthen science, technology and business relationships, the American Australian Association awards several US\$25,000 one year fellowships to Australians for advanced research and study in the United States. Applicants must be Australian citizens or permanent residents performing research or study at the graduate or postgraduate level. Applicants may already be in the United States at the time of application. Fellowships are available for Australians who will benefit from doing advanced research or study in the fields of business, science, technology, medicine and engineering in the United States. In return, the fellows are expected to add to Australia's intellectual capital as well as contribute to the country's overall social and economic well-being upon their return. Applicants must show proof of the arrangements made at a United States university or institution where the research or study will be conducted for the academic year beginning in September 2008 by the time the fellowship is awarded. Applicants are expected to devote full time to their research or study.

### **Australian Rotary Health Research Fund – Evaluator for Mental Health Community Awareness Forums**

**External closing date:** 31 January 2008

The Australian Rotary Health Research Fund (ARHRF) will run 100 Mental Health public awareness forums from September 2007 to September 2009, which will target specific groups of individuals, deliver the relevant mental health information and offer an option of intervention materials. The primary outcomes sought are to improve awareness of mental health issues, improve knowledge of local services and deliver relevant information. ARHRF wishes to engage an independent external evaluator to evaluate the 'Looking after our mental health' awareness campaign to ensure good practice in mental health promotion. The evaluator will become a member of the ARHRF Reference Group which will run over the term of the contract (to 14 September 2009). Funds available in total are \$55,000.
